

## **NCTM Best Real Estate Services at the “Ballo del Mattone”**

The jury of real estate operators present at the evening of the Ballo del Mattone organised by Media Management Holding, elected NCTM and in particular the team lead by Riccardo Delli Santi the firm of the year with the best real estate services. Mr Delli Santi, head of the real estate department, was given the award before an audience which included the most important real estate operators.

Mr Delli Santi commented: “2010 has been a year in which we have achieved important goals despite difficult market conditions. This award reinforces the quality of the work carried out by the real estate and, above all, it demonstrates how right it was to merge DS&P into NCTM. The synergy created by the two teams has revealed to be a winner”.
